## **AGENDA REPORT**

AGENDA DATE 11/20/01

AGENDA ITEM 2

WORK SESSION ITEM           

**TO:** Mayor and City Council

**FROM:** Director of Public Works

**SUBJECT:** Traffic Signal Installation on Hesperian Boulevard at Longwood Avenue and Skywest Drive: Approval of Plans and Specifications and Call for Bids

### **RECOMMENDATION:**

It is recommended that the City council approve the attached resolution that approves the plans and specifications for the Traffic Signal Installation on Hesperian Boulevard at Longwood Avenue and Skywest Drive and calls for bids to be received on December 18, 2001.

### **BACKGROUND:**

This project will install a traffic signal system at the intersection of Hesperian Boulevard, Longwood Avenue, and Skywest Drive. This project was recommended in the Longwood/Winton Grove Neighborhood Plan. At a meeting held to discuss alternate location at Marin Avenue, the majority favored Longwood Avenue.

Staff has established a combined goal of 12 percent for Disadvantaged Business Enterprise (DBE) and Women-Owned Business Enterprise (WBE) participation for this project. The goal was established through an evaluation of available subcontracting opportunities for the project and an analysis as to which portion of the subcontracting would be reasonable to set aside for DBE and WBE participation.

This project is categorically exempt under the "Minor Alteration of Existing Streets" section of the California Environmental Quality Act Guidelines.

### **PROJECT COSTS:**

The estimated costs for the project are as follows:

Contract Construction Costs	\$193,000
Consultant Design & Construction Support	22,000
Design and Administration	12,000
Outside Services	5,000
Inspection, Survey, and Testing	10,000
City Furnished Equipment	18,000
Total Project Costs	<u>\$260,000</u>

**FUNDING:**

The 2001-02 Capital Improvement Program includes \$250,000 in the Transportation System Improvement Fund for this project. After bids are received, an additional appropriation will be requested, if necessary.

**SCHEDULE:**

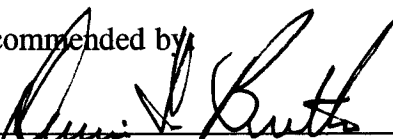

Advertise	November 20, 2001
Receive Bids	December 18, 2001
Award	January 8, 2002
Begin Work	April 15, 2002
Complete Work	July 15, 2002

The delay between the project award and the construction start is because of an anticipated four-month waiting period for delivery of the traffic signal equipment.
